

Jefferson County Benefit Specialists invite you to attend:

WELCOME TO MEDICARE!

Have Questions about Medicare?! Get Answers!

Original Medicare began in 1965 and was pretty straightforward and easy to understand. Part A paid for hospital; Part B paid for doctors' appointments.... And beneficiaries picked up a Medicare Supplement Insurance policy to fill any gaps. Simple.

Fast forward to present day and the tremendous influx of Medicare Advantage (Part C) and prescription drug options (Part D) have added so many choices for Medicare beneficiaries. It's quite confusing to try to sort through the alphabet soup.

The Benefit Specialist program offers "Welcome to Medicare" workshops throughout the year for Jefferson County residents who are eligible for Medicare. These workshops are ideal for people who will be newly eligible for Medicare, but we welcome anyone wanting to learn about their Medicare options!

Please contact the Aging and Disability Resource Center (ADRC) at 920-674-8734 to register to reserve your spot and materials!!
